The enrollment window for Syringa Mountain School opens February 1, 2016 and closes May 2, 2016. **Applications must be received in our office no later than May 2, 2016 at 5:00 PM.** Applications received after the deadline will still be considered but will be added to the end of the waiting list. State Law requires that an equitable selection process, such as a lottery, be held to determine who will be enrolled **if more students apply than there are openings** at any grade level. A lottery will be held, **only if needed, May 6, 2016** to determine which students will fill open seats and placement on the waiting list for all grade levels with more applicants than openings. Parents will then be notified and will need to accept or reject the seat within the specified period of time. If a seat is rejected, the waitlist is then utilized in the order determined by the lottery. For full lottery details, please visit our website:
